2. The Assignee certifies to the best of Assignee's knowledge and belief that the Assignee has the entire right, title, and interest in and to the above-captioned Patent Application, and represent that the undersigned is authorized to sign on behalf of the above-listed Assignee.

3. Disclaimer

Assignee disclaims the terminal part of any Patent granted on the above-captioned Patent Application, extending beyond expiration of the full statutory term defined in 35 U.S.C. §§154 to 156 and §173, as presently shorted by any terminal disclaimer, of the United States Patent No. 6,845,007 forming the basis of the double patenting rejection is hereby disclaimed except as provided below, and it is agreed that any patent so granted on the above-identified application shall be enforceable only for, and during, such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 6,845,007; this agreement to run with any Patent granted on the above-captioned Patent and to be binding upon the grantor, its successors, or assigns.

In making the above disclaimer, disclaimant does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 to 156 and §173 of the United States Patent No. 6,845,007 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321, has all claims canceled by a reexamination certificate, is reissued in any matter or is terminated prior to the

expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

4. Fee Payment

Payment is enclosed. Authorization is given to take any additional fee payment due under 37 C.F.R. §1.20(d) from our Deposit Account: 23-0085. The agent of record is empowered to sign on behalf of Assignee.

5. I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

WAGNER, MURABITO & HAO, LLP
